WASHINGTON, D.C. 20510

August 22, 1978

Honorable James O. Eastland
Chairman
Committee on the Judiciary
2241 DSOB
Washington, DC

Dear Mr. Chairman:

As you will recall, last fall you supported S. 1651 which Bill Roth and I authored to limit the use of busing as a remedy in school desegregation cases. Bill and I plan to attach S. 1651, as approved by the Judiciary Committee, as an amendment to S. 1753 when that bill to extend the Elementary and Secondary Education Act soon comes up for consideration by the full Senate.

Since your support was essential to having our bill reported out by the Judiciary Committee, I want to personally ask your continued support and alert you to our intentions. Your participation in floor debate would be welcomed.

Sincerely,

Joseph R. Biden, Jr.
United States Senator
