

1 Braxton Way Suite 125 Glen Mills, PA 19342
484-840-4300 www.ssrs.com

OVERVIEW

The study was conducted for CNN via telephone by SSRS, an independent research company. Interviews were conducted from **March 3-8, 2021** among a sample of **1,009** respondents. The landline total respondents were **253** and there were **756** cell phone respondents. The margin of sampling error for total respondents is +/- **3.6** at the 95% confidence level. The design effect is **1.39**. More information about SSRS can be obtained by visiting www.ssrs.com. Unless otherwise noted, results beginning with the March 31-April 2, 2006 survey and ending with the April 22-25, 2017 survey are from surveys conducted by ORC International. Results before March 31, 2006 are from surveys conducted by Gallup.

Question text noted in parentheses was rotated or randomized. Values less than 0.5 percent are indicated by an asterisk (*).

NOTE ABOUT CROSSTABS

Interviews were conducted among a representative sample of the adult population, age 18 or older, of the United States. Members of demographic groups not shown in the published crosstabs are represented in the results for each question in the poll. Crosstabs on the pages that follow only include results for subgroups with a minimum N=125 unweighted cases. Results for subgroups with fewer than N=125 unweighted cases are not displayed and instead are denoted with "SN" because samples of that size carry larger margins of sampling error and can be too small to be projectable with confidence to their true values in the population.

**EMBARGOED FOR RELEASE:
Thursday, March 11 at 5:00 p.m.**

Q2. How much confidence do you have in Joe Biden when it comes to each of the following? [ITEMS READ IN RANDOM ORDER]

Leading the country out of the coronavirus pandemic	NET A lot/Some confidence	A lot of confidence	Some confidence	No real confidence	No opinion
March 3-8, 2021	67%	42%	25%	30%	2%

Q3. Which of the following is the most important issue facing the country today? [RESPONSES READ IN RANDOM ORDER]

	The coronavirus pandemic	Political divisions in the country	The economy	Racial injustice	National security	Something else	No opinion
March 3-8, 2021	30%	25%	20%	11%	9%	3%	2%
January 9-14, 2021	46%	21%	15%	10%	7%	2%	*

CV1. Which comes closer to your view about where the U.S. stands in the coronavirus outbreak: [RESPONSES ROTATED IN ORDER FOR HALF/IN REVERSE ORDER FOR HALF]

	The worst is behind us	The worst is yet to come	No opinion
March 3-8, 2021	77%	19%	3%

SUBNET Will try to get vaccinated	45%
Will try to get vaccinated, scheduled an appointment	7%
Will try to get vaccinated, unable to schedule an appointment	9%
Will try to get vaccinated, never tried to schedule an appointment	29%
No opinion	1%
Will not try to get vaccinated	28%
No opinion	3%
No opinion	*

Q12. Thinking about the vaccination program in the area where you live, how well do you feel the distribution plan in place where you live is working? **[RESPONSES ROTATED IN ORDER FOR HALF/IN REVERSE ORDER FOR HALF]**

	NET Well	Very well	Somewhat well	NET Not well	Not too well	Not at all well	No opinion
March 3-8, 2021	66%	26%	39%	28%	17%	11%	6%

MORE ON METHODOLOGY

A total of **1,009** adults were interviewed by telephone nationwide by live interviewers calling both landline and cell phones. Interviews were conducted in English and Spanish. Among the entire sample, **30%** described themselves as Democrats, **24%** described themselves as Republicans, and **45%** described themselves as independents or members of another party.

All respondents were asked questions concerning basic demographics, and the entire sample was weighted to reflect national Census figures for gender, race, age, education, region of country, population density, and telephone usage.

Results for the full sample have a margin of sampling error of +/- 3.6 percentage points.

Interviews were conducted among a representative sample of the adult population, age 18 or older, of the United States. Members of demographic groups not shown in the published crosstabs are represented in the results for each question in the poll. Crosstabs on the pages that follow only include results for subgroups with a minimum n=125 unweighted cases. Results for subgroups with fewer than n=125 unweighted cases are not displayed and instead are denoted with "**SN**" because samples of that size carry larger margins of sampling error and can be too small to be projectable with confidence to their true values in the population.

TABLE 042

Question 10/11/11A COMBO TABLE

10. Have you personally received at least one dose of a coronavirus vaccine, or not?

11. Now that multiple vaccines have been approved for use and are beginning to be made available to the public, will you, personally, try to get a coronavirus vaccine, or not?

11a. Which of the following best describes you?

Base: Total Respondents

	Total	Demo- crat	Indep endnt Other	Repub lican	Lib- eral	Mode- rate	Con serva tive
	=====	=====	=====	=====	=====	=====	=====
